

Are you interested in learning about a career in genetic counseling?

Would you like to learn more about the new genetic counseling graduate program at Rutgers?

If you answered yes to either question, please join us for a

Rutgers University Genetic Counseling Master's Program Open House

Date: Saturday, November 12, 2016

Time: 10am-1:30pm (Lunch provided)

Location: Life Sciences Building (LSB)

Rutgers University–New Brunswick

145 Bevier Road, Auditorium

Piscataway, NJ 08854

Come learn about:

- The genetic counseling profession: Who we are and where we are headed
- Exciting career opportunities in the field of genetic counseling
- Genetic counseling specialties, including prenatal, cancer, and industry
- Details about the Rutgers Genetic Counseling Master's Program, including program design, application process, important dates and deadlines

If you are considering a career in genetic counseling, this is a great opportunity to learn more about the field and also meet members of the Rutgers Genetic Counseling Master's Program faculty.

This event is free but registration is required.

Please RSVP through the following link by October 21, 2016.
